Education

Maulana Azad National Institute Of Technology

Bachelor of Technology in Electronics and Communication Engineering, CGPA: 7.64

Dec. 2021 – Present

Bhopal, MP

DAV Public Sr. Sec. School, Bina

Class XII, Percentage: 97.2

Apr. 2021

Sonebhadra, UP

DAV Public Sr. Sec. School, Bina

Class X, Percentage: 94.8

Apr. 2019

Sonebhadra, UP

Technical Skills

Languages: C, C++, JavaScript, HTML, CSS

Frameworks: Tailwind, React, Node.js, Express.js

Developer Tools: Git, Github, VS Code, Visual Studio

Database: MySQL, MongoDB

Coursework: Data Structures and Algorithms, OOPS, DBMS, Computer Networks

Projects

My Portfolio | *HTML, CSS, Javascript, React* | Live

June 2024 – Present

- Integrated interactive features and animations to improve user engagement and experience.
- Utilized React JS for efficient state management and component-based architecture, enhancing performance and maintainability.
- Implemented responsive design principles to ensure compatibility across various devices and screen sizes.
- Demonstrated expertise in front-end development and proficiency in modern web technologies.

Hotel Reservation | *MERN Stack* | Code

Apr 2024 – June 2024

- Developed a full-stack hotel reservation website named "StayEase" using the MERN stack (MongoDB, Express.js, React, Node.js).
- Implemented user authentication, booking management, and dynamic search functionalities to enhance user experience.
- Designed a responsive and intuitive front-end with React, providing seamless navigation and a user-friendly interface across various devices.
- Demonstrated expertise in full-stack development, showcasing proficiency in modern web technologies and best practices.

Route Mapper | *React, Javascript, CSS, HTML* | Code

Jan 2024 – Feb 2024

- Implemented the Breadth-First Search (BFS) algorithm to visualize shortest paths in a graph structure.
- Utilized React for efficient state management and component-based architecture, enhancing performance and maintainability.
- Demonstrated proficiency in algorithmic problem-solving and practical application of data structures in web development.
- Showcased the ability to integrate complex algorithms into interactive and visually appealing web applications.

Coding Profiles

- [GFG Profile](#) – Proficient Badge with 150+ problems
- [Leetcode Profile](#) – Solved 200+ DSA Questions

Position of Responsibility

- Team Member** : Zenith - The Programming club of MANIT.
- Team Member** : AAROHA - a student-led NGO at MANIT
- Conducted offline workshop** for Programming for 200+ students in the college.
